### 2021-2022

#### Worked at a supermarket

I have developed strong people skills through diverse experiences that required effective communication, collaboration, and relationship-building.

These skills have enabled me to work well in team settings, engage confidently with clients, and adapt to different environments.

In addition, I have further enhanced my professional abilities by continuously learning and taking on new challenges, which has strengthened both my interpersonal and problem-solving skills.

## Achievements and Certificates

I designed and built my own website to showcase my skills and courses, incorporating custom templates and a live chatbot. These are the certificates I have (The dates for each certificate is found in my website:
